Contact's Name: \_\_\_\_\_ Contact's phone number: \_\_\_\_\_

Contact's Email Address: \_\_\_\_\_

Total Number of Kids: \_\_\_\_\_ Age Range of Kids: \_\_\_\_\_

## Please Note the Following Rules and Guidelines

The field trip consists of \_\_\_\_\_ gymnastics time. The children will have the chance to participate in obstacle courses, tumble track, trampoline, foam pit, games, gymnastic equipment and much more. In order for each child to participate during the field trip these following items need to be fulfilled.

- Permission slip signed by the child's parent
- Payment of \_\_\_\_\_/child due the day of the field trip
- Proper clothing for all children

### What should your children wear?

Both girls and boys can wear t-shirt and shorts or leotard. **NO JEANS ARE ALLOWED.** Hair that is shoulder length or longer needs to be tied back. All socks, shoes, and jewelry must be removed.

### Does the parent need to sign a liability waiver?

Yes. There are many inherent risks associated with participating in any or all programs, parties, and/or use of the play area and gymnastic equipment. Each child is required to have a signed waiver by their parent or guardian before the start of the field trip. If a child does not have a waiver, the child will not be able to participate in the field trip.

### When should I arrive?

Please arrive 15 minutes prior to the start of the field trip. The children need time to take off their socks and shoes and put on name tags.

### What happens if a child doesn't follow directions?

Please be advised that the children are expected to remain with the group at all times. Horse-play, excessive shouting, hitting or not following directions will not be tolerated. If a child chooses to behave in this manner, the child will be asked to go sit upstairs with an adult.

### What should I do if my child has special needs?

If your child has special needs, please contact the office to notify us about your child's needs. Stick It! Gymnastics will perform reasonable accommodations to allow your child to participate in the field trip. However, there are many inherent risks associated with participation in any or all programs, parties, and/or use of the play area and gymnastic equipment. Some special needs children cannot safely perform gymnastics. If the coaches determine at any time the child's risk of injury is high, be then the special needs child may be asked to wait upstairs with an adult.

By signing this document you agree to the terms and conditions stated above.
